General UV Print Artwork Requirements

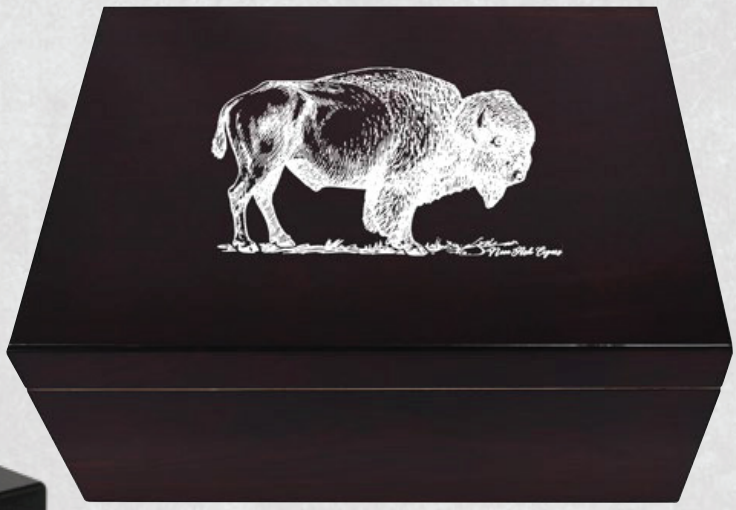

Preferred File Types: Vector files (AI, EPS, vector PDF)
Accepted File Types: PNG (transparent preferred), TIFF, PSD (flattened)
Resolution & Size: Minimum 300 DPI at final size
Color: CMYK preferred - RGB files will be converted and may shift

Over/Under policies account for the normal production variance in printed quantities and reflects standard industry practice. Up to 5% Overruns are billed at 20% off, underruns are not billed, and exact-count printing is available for a $100 fee.

Minimum Order Quantities are on a per sku basis.
